The Case for Allowing Kidney Sales  
Janet Radcliffe-Richards, A.S. Daar, R.D. Guttman, R. Hoffenberg,  
I. Kennedy, M. Lock, R.A. Sells, N. Tillney, and for the  
International Forum for Transplant Ethics  
Study/Discussion Questions  

-do you agree that, if we are to deny treatment to the suffering and dying, we need better reasons than our own feelings of disgust?  

-the authors claim that the arguments for prohibiting organ sales do not work, and the debate should be reopened  
   -outline each of the objections and responses to the objections in the article
