Study/Discussion Questions

-what is the case of patients Y and Z
  -what is their situation?
  -what do they need?
  -what do their doctors say?
  -what are Y and Z’s objections to their doctors’ views?
  -what is Y and Z’s proposal?

-outline Y and Z’s overall plan in detail?

-outline the objections to Y and Z’s plan
  -do the objections hold up?

-do you agree with the positive aspects of the plan?

-do you think the plan could work?

-do you think the ultimate claim that it would create a better world is true?

-is what they propose any more barbaric than our present world?

-what might be the only response/objection to Y and Z?
  -how would it work?
